

# Improve Rig Workforce Conditions With WindWalls by Tarpco.

Protect and shield your rig workers from severe weather conditions by using WindWalls exclusively manufactured by Tarpco. Every WindWall we manufacture features:

- Heavy Duty 22oz. Material Construction
- Custom Made for any Size Rig
- Sequentially Numbered WindWalls for Fast and Easy Installation at the Work Site
- Adjustable Release Buckles for Maximum Security & Safety
- Superior Repair Service

At Tarpco, specialty tarps are a part of our everyday manufacturing process, offer quick turnarounds and delivery service with every WindWall we manufacture. We also visit each work site to obtain precise measurements to ensure an accurate fit.

For more information, please contact Tarpco at 1-800-345-TARP (8277)
